intelligent scales of a bill to reduce the small plants of an analysis of the small plants of the small pl be properly adjusted in the affectal countries according to business done, yet we note with satisfaction the causage of the bill by the senate on Mandar examination offect a reduction at once. Time, insurance, be more inselligent inguitation on the hurses, were ene-proper, deep for the first, obtained it for his ab-nature of the sales will regarded of practic smooth uments in different measures; the if the not be pended here; tradition decided at the left. justice ander it tili also pare special conditions it can be amended as experience may require Suit, thereigned to be a requirement that an account of all smoluments be returned to the secretary of chair so that there may be proper basis for inture adjustment of compensation in the several counsile. Fiftions such return it will not be practicable to perfect the

increase the pay from three to four dollars a day. There are ninety members of the legis-lature, and the increase of one dollar a day for twenty days would amount to \$1800 each session for pay of mambers alone. And the pay of clarks and other expenses would amount to as much more. True, the aggre-gate would not be a large sum, and this incressed expenditure would be the smallest of all objects on to longer sentions; but the peo-ple, when they come to consider it, will nardly like to pay out money to open new chances for adherms destrimental to the public interest. The fact is that the true interest style.

**TRAIL HOURS during the constituence of the Fair, in the ment first-class style.

of the state his in having as little of the legisbetter and there would he a feeling of at iu a dozen years

The exact results of the vote for governor in Maina, as nade by county clarks from town returns are published by the newsloss the probicition and scattering vox being omitted

Plaisted. But there are 1204 votes for Morr.s. Harrrison, Hiram and various other Plais these shall be counted for Harris M. Plaisted ted will have 176 plurality. The amupart of the matter now is that democrats and greenbackers now begin to doubt whether, after all, Go error Garcelon and his council were right in: counting the returns for Geo. yet satopped an they are from making our plaint or ob ection in the present case, to sy ing developments.

The confederate democratic state comm tee of Alabama have published an address in John Cran & Co. which it is aid that "our party stands com mitted by it platform to the equal p rights of every nitizen and the fair and free exercise of the elective franchise." This stuff is telegraphed over the country and intellifalsek ood, mouning. In the light of the late election in greatest buresque of the day. Not a person in the United States of any political party ercise of the elective franchise in Alcheme

patification of the amendments, and no the city leves in how beed on an ocummon right to dissert its must about consequent of the city in and to disficate such ly the owners of that property under the conleve to the use of the public. We have not stitution have valid claims for removable; that ordinance before me at present, but such compensation. Such condensation structures of the condensation of the giving the legislature the right to disert the property frems public use to

to reorganize the supreme court? Such preposed dianges in the charter of Pertland I point in one direction. As supples other than a threat out of their positions the mentary facts, we find that eighteen southers present altrametals and put in a lot of ourb-senators and fifty-four coupling representatives whose pollumines, who have no thought of tives, all members of the present congress. Uvilly by best own industry in any indehave introduced tills to see handling to the "light to the restor of the

colleges of the confederacy. I. H. Resgan, magnitude ud impressigness any political them confederate, positivaster, general, if a communication to Jefferson Dayls, wrote as is an incident which shows how stress the follows:

A great mesca was delivered by Secretary 28th September. The key note of the speech of no described the in the statement, vis.: "Substantially on and a bariet of the people of this congress on any position of the people of this congress of the people of the conference of the people of the conference of the people of the conference of the people of th
